## Student Financial Responsibility Agreement

**Financial Obligation:** By providing my signature, (electronic and/or physical), to this Financial Responsibility Agreement, I am undertaking a legal obligation that requires me to pay for tuition, fees, and all charges related to my enrollment at Texas Southern University. I acknowledge and understand the following:

- I am required to make full payment of my account balance, or make satisfactory payment arrangements, on or before University published payment due dates. I understand that I may view payment due dates online on the TSU Academic Calendar. I agree that if 100% of my current tuition and fees are not paid before the first class day and if I am not enrolled in the university installment plan that I will be automatically enrolled in the university installment plan and I will be assessed the setup fee for the installment plan and the late fee. I also understand, that failure to make the 1st installment payment by the first class date of the applicable term, may result in cancellation of my registration.
- For more information about the TSU Installment Plan, please go to Installment Plan Details.
- I understand that if I am not planning to attend Texas Southern University any semester, for which I am registered, it is my responsibility to contact the University Registrar's Office to withdraw from my course(s). The University will not automatically cancel my registration. I understand that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule at Drop and Withdrawal Refund Schedule. I further understand that my failure to attend class does not absolve me of my financial responsibility as described above.
- I understand that my student account statements will be provided to me electronically and that I will be notified via my TSU email account once they are available to view. I further understand that I have 24/7 access, via My TSU Web portal, to view account balances and registration information. I agree that I am also responsible for updating any personal contact information in order to receive all communication from the university. I agree to be responsible for noting the account balance due, and for making the appropriate arrangements for payment to be made by the due dates listed on my e-bills. I further understand that I may be charged late payment fees for delinquent payments.
- I understand that Texas Southern University may restrict my course registration or my ability to receive other university related services in accordance with University policies until I pay all of my past due balances. I understand that any delinquent debts may be reported to a credit bureau and/or referred to an outside collection agency and that I am responsible for all additional costs for collecting my unpaid balance. I also understand that the University reserves the right to cancel any registration because of a delinquent unpaid debt. I authorize Texas Southern University or its agents to contact me via my official TSU email address or an email address that I provide to the University.

**Acknowledgement of Responsibility:** I have read and I understand the statements above. I agree to pay my student account as outlined above. I understand that failure to meet the terms of this agreement entitles Texas Southern University to:

1. Withhold transcripts.
2. Refuse subsequent registration for future classes.
3. Deny future enrollment in any payment plan sponsored by Texas Southern University.

☐ ACCEPT

The student is then presented with the Financial Acknowledge Page to accept and complete.
